Office Hours

Office hours are the best way to get extra help if needed. I would be happy to schedule a time outside of office hours if a scheduling conflict prevents you from coming during the assigned hours. Note that my office hours are held in person in my office while I hold the Tuesday hours remotely on Zoom.

Grading

Don't do it. You will not be allowed to fail the course and be reported to the Honor Code Council. This includes failing attendance on Canvas questions.

Electronic Device Policy

Please silence electronic devices during lectures. You are welcome to use electronic devices for note taking and accessing learning materials online. However, do not use electronic devices during class time for non-class activities =i.e. social media etc or you will be asked to turn it off and put it away.

Communication Policy

Email will be my primary form of communication with the class:

- I will use my CA email address for class communications so check my CA mailbox frequently.
- I will answer you as soon as possible. Please allow +4 hours for a response.
- Please refer to the syllabus to answer questions before contacting me.
- Questions on course material are often more easily and thoroughly answered in person. Please use my office hours as my primary means of obtaining help with course material.
- Under no circumstances can I provide grades through email due to (my Educational Rights and Privacy Act) regulations since emails are not considered secure. Grades will be available on Canvas.
